

April 24 1945

Dear James:

I received your wire, and wired you back to meet the team in Atlanta Ga. Sunday April 29th. I decided to follow the wire with this letter, because we are playing in Macon Ga. Friday night the 27th, and I thought you might be able to pick them up there, instead of waiting until Sunday in Atlanta.

I know you must be in condition. I do hope your arm is well. If so you should have a good year, because I think you have a good team behind you. I do not remember if I told you Wells is back, and Mathewws, and Mackey. I have word from camp that we have about 6 good looking rookies. Albert Williams is back also, discharged from the army.

Pearson, Davis, Harvey, Watkins, Wynn are still with us. Now if you are just in form, everything will be fine.

We open the season here in Newark Sunday May 6th playing The Cubans.

Very Truly Yours
